

Fellow Knights and Columbiettes,

Starting on July 16 and running through to August 19, our hall will be under renovation.

During this period, we are also looking for volunteers to assist when and how they can, in the various areas of the renovation project.

Please look at the "**Latest News & Information**" link on the council website for further details regarding the renovation project, and also a more specific schedule regarding what projects will be performed on which days, as the date gets closer.

Fraternally,

Brother William J. Scampoli
